

Dear Parents/Guardian:

On Monday February 13, 2023, your son/daughter, with your permission will attend the Grade 12 Retreat at Mount Mary Retreat Centre in Ancaster. The Retreat is an opportunity for grade 12 students to engage with one another and consider the many challenges they may face, at this important junction in their lives. This is a wonderful opportunity to support their mental health and social skills. The Grade 12 retreats are an integral part of the school curriculum, and all students are expected to participate in them. Students are responsible for finding their own means of transportation to and from the retreat center. **The School or School Board takes no responsibility for their transportation.** Students are also asked to be at the retreat center for 9:00am and dismissed for the day at 2:00pm. Students must bring a lunch and snacks as well as plenty of liquids to drink. Students are not able to purchase anything at Mount Mary and cannot leave the grounds until dismissal. Students are asked to wear comfortable/appropriate clothing and shoes (running shoes if possible) on their retreat day. School rules still apply at the retreat center. If you have any questions or concerns, please feel free to contact Ms. Tina Fitzgerald, Chaplaincy Leader at Bishop Tonnos Catholic Secondary School (905) 523-2331 ex. 3620.

**TRANSPORTATION OF STUDENTS FOR  
SCHOOL RELATED EVENTS**

Date:

Dear Parents/Guardians:

It is important to recognize the importance of safety for all students in all levels of participation in school-related events. This also includes the transportation of students to and from games/locations as outlined in the schedules provided to the players/team members.

While the principal is always responsible for school-related events, it is the parent who is responsible for the transportation of their son/daughter to the game or event. Should a parent wish to have another parent or other licensed driver transport their child to the game/event at the elementary level or secondary level, it is critical to ensure the driver is aware of the responsibility for the safety of his/her passengers: vehicle in good repair, current valid license and insurance, working seatbelts, etc. Provisions should also be made by the driver for any accommodations which are required for any students with special needs.

We bring this to your attention to ensure that the above aspects of safety precautions are addressed for games/events during school times as well as after school events for both elementary and secondary students.

Please complete the portion below indicating your acknowledgment of the above information and the responsibility of the parent to communicate to the driver the importance of safety first.

Sincerely,

Principal

I/We have read the above information and acknowledge my/our responsibility as parent(s)/guardians

of \_\_\_\_\_ (student's name) to transport him/her to school-related events.

NOTE: ALL "OUT-OF-SCHOOL LEARNING EXPERIENCE DRIVERS" ARE ADVISED THAT, IN ORDER TO BRING INTO EFFECT THE BOARD'S EXCESS LIABILITY INSURANCE, THEY MUST:

- A. Use a licensed automobile which carries valid automobile Third Party Liability Insurance as required under Ontario legislation;
- B. Provide the School Board with prompt written notice, with particulars, of any accident arising out of the use of a licensed automobile during an out-of-school learning experience on Board-related business;
- C. Be aware that the School Board's Excess Automobile Liability Insurance comes into effect only after the vehicle owner's primary Third Party Liability insurance limit has been exhausted;
- D. Be aware that any damage to the volunteer's vehicle, the cost of any insurance deductible or premium adjustment as the result of an accident while the vehicle is being used on Board-related business is NOT covered by the School Board's Excess Automobile Liability Insurance.
- E. Be aware that if the vehicle is equipped with passenger-side airbags, children under 12 years should not be permitted to ride in the front seat. (See vehicle manufacturer's recommendation.)

N.B. An "out-of-school learning experience driver" is defined as any person authorized by the Board who has agreed to be a driver for a certain out-of-school learning experience while they are driving their own or another licensed automobile. ## Volunteer Driver – Authorization to transport students continued Part B

### SUMMARY OF INSURANCE

**(1) Staff and Volunteer Supervisors on School Premises** - The School Board's Liability Insurance Policy protects both staff and volunteers who are working within the scope of their duties for the Board. This coverage responds to lawsuits that are brought against staff or volunteers who are supervising school events and provides protection up to \$24 million for each occurrence.

**(2) Staff and Volunteer Drivers for School Activities** - Ontario legislation makes automobile insurance compulsory in the Province of Ontario. The same legislation makes the owner's insurance primary coverage in the event of an accident - in other words, the insurance carried on the vehicle responds first. If a vehicle which is not owned by the School Board is being operated by a volunteer or any other Board employee for approved school activities, the Board's Non-owned Automobile Insurance endorsement will respond to Third Party Liability claims in excess of the owner's insurance limit up to a total combined limit as stated in the Non-owned Auto policy.

There is no coverage provided by the School Board's insurance for damage to volunteer's or employee's vehicles while they are being operated for Board activities.

According to Provincial legislation, passengers who are injured would recover Accident Benefits coverage from their own or a parent's automobile policy. In the absence of a personal or family automobile policy, the passenger would then be eligible to recover benefits from the insurance policy covering the vehicle in which they were riding.

**(3) Personal Automobile Insurance Coverage** - For the personal protection of staff and volunteer drivers, it is recommended that drivers carry a minimum of \$1 million of Third Party Automobile Liability insurance. Volunteers and Board employees who use their personal vehicles for transporting students to school activities should advise their insurance carrier.
