Works Cited Information for Religious Sources

Works Cited: This is the last page of your assignment or research paper. It is a list of the works/sources you reference in the body of your paper.

*If it is a religious source, follow the directions on the MLA Religious Source Documentation.

*If it is a general website, you can go to <https://www.easybib.com/> to create a general website MLA citation.

Reminders for formatting your works cited page:

Title – centred, not bolded or underlined

Double space the entire page

Indent the second and following lines of each citation (Use "Hanging Indent" if using Word Online)

Alphabetical Order

Font: Times New Roman 12pt, Arial 12pt

Margins
